

Fees for the repurchase of guaranteed Tokens by Nova Gielda UÜ

The Guarantor (hereinafter: Guarantor) receives from the Token Owners (hereinafter: Owner) the following fees:

1. Repurchase of Tokens when the Owner receives cash as part of repurchase of Tokens – PLN 80,00.
2. If the funds are transferred to the account of the Owner kept in a bank having its registered office outside the territory of Poland, the fee referred to the point 1 is increased by the cost of transferring the funds that the Guarantor must bear.
3. Repurchase of Tokens when the Owner receives as a part of repurchase the assets other than in point 1, the Guarantor charges a fee of PLN 150,00 on each asset transferred to the Owner as a part of repurchase.
4. When the Owner intends to carry out the corporate rights and other non-proprietary rights vested in the Owner for the exercise of rights under this Token by the Owner in his favor or for the favor of another person, the Guarantor charges a fee of PLN 50,00.
5. The owner is also obliged to cover all other costs related to the implementation of the Owner's rights referred to the points: 1, 3 and 4 table of fees, which in connection with the implementation shall be borne by the Guarantor or other entity whose participation is required to exercise rights under the Token, including in particular:
 1. Taxes and stamp duties;
 2. The costs of commissions and fees of investment companies;
 3. Notary fees;
 4. The costs of traveling a person authorized to represent the Issuer or another person to a place necessary to exercise the rights arising from the Token.
6. The Owner does not bear the fees referred to the point 5 in the case of a value of no more than PLN 10.00 per one-off Tokens repurchase.
7. The Guarantor will each time inform the Owner how to incur these above fees.
